

The China Packaging Innovation Forum Invitation

China Packaging Innovation Forum (CPIF) 2019 is going to be co-organized by Reed Exhibitions (<http://www.reedexpo.com.cn/>) and the Packaging Innovation Association (PIF) and supported by the China Packaging Federation (<http://www.cpta.org.cn/>). And will be held from Oct 11 to Oct 12, 2019 in Shanghai.

CPIF is committed to share successful new packaging cases alongside innovative technologies and concepts around the world, helping the Chinese industry to comprehensively address new opportunities and challenges in the pulse packaging industry. The topic this year is focusing on the rise of **innovative sustainable packaging and containers in the Post-Disposable Plastic Era**.

It has been successfully held 4 sessions since 2015 and it is estimated to attract 1000+ companies to participate this year. Most of them are from brand owners (food, beverage, cosmetics, electronics, healthcare, e-commerce, catering industries), medias (CCTV, Tencent, China Daily etc.), associations, universities, NGO's representatives and suppliers.

We sincerely invite IAPRI members to attend the China Packaging Innovation Forum
